

All financial members of the Cosmetic Physicians College of Australasia Ltd are entitled to be a part of the closed Facebook group. In this group you will receive updates on CME meetings, training courses on offer, newsletters, information on conferences coming up and of course, you are able to contact other CPCA Members.

The members already in this group have had various discussions relevant to the field of cosmetic medicine and the College itself. Some have asked for help and advice and others have happily provided this. Join now to pick up on these threads.

Topics of discussion have been diverse; articles in journals, submissions to AHPRA and other government bodies, TGA articles posted, managing complications, where to find specialised training courses, the frustrations associated with advertising limitations, quiz questions (test your knowledge) and more.

If you are a member of the CPCA and wish to join this group, please email cpca@cpca.net.au and a sign-in link will be promptly issued to you.

For additional information please contact our administration office via email or telephone, from 9am to 5pm WST on:
