Dr Adam J Scheiner

Peurto Rico

Dr Scheiner completed a Fellowship in Oculoplastic and Laser Facial Aesthetic Surgery with Dr. Sterling Baker, the pioneer of Laser Eyelid Surgery, and is now a renowned Laser Eyelid and Facial Plastic Surgeon. He has been a featured health expert on numerous television, radio and print media publications including Dr. OZ, Howard Stern, and The New York Post.

Dr. Scheiner often lectures and contributes to books and periodicals about his techniques, including his perfected treatment for festoons—one of the most pervasive and often incorrectly treated forms of eyelid bags.

Dr Scheiner now treats patients from around the globe with his RESET® Festoon Laser treatment.
