

COSDOC 2021

Dr Gordon Ku Australia

Dr Gordon Ku is a Fellow of the Cosmetic Physicians College of Australasia, a Fellow and Trainer of the Australasian College of Cosmetic Surgery, a Fellow and Trainer for the Institute of Medical Aesthetics in Dubai, a faculty trainer of the American Academy of Aesthetic Medicine (AAAM) and iClass Anatomy (an international anatomy school).

He regularly trains doctors, nurses, and surgeons on non-surgical cosmetic injectables and facial anatomy in Australia and Dubai. He is also the Key Opinion Leader on non-surgical thread lifting and the first Australian doctor to demonstrate non-surgical thread lifting live-on-stage at an international conference in Seoul, South Korea.
