

# COSDOC 2021

**Dr Agnieszka Warchalowski**

**Australia**

Dr Agnes Warchalowski has over 15 years' experience in cosmetic and nutritional medicine, and developed BiomeMD®, a protocol designed to restore microbial composition, immune and metabolic function, hormonal balance, and brain health.

Dr Agnes combines cosmetic treatments with nutritional support to assist internal and external aspects of aesthetic management thereby providing her patients with a solid foundation for positive ageing.
