

COSDOC 2021

Hanya Oversby Australia

Hanya Oversby is a business advisor, business consultant, educator and facilitator with extensive experience in the successful establishment, management and guidance of healthcare businesses.

Recognised as an industry expert across Australia, New Zealand and Asia Pacific. Hanya has been established as a trusted consultant since 2001. She has achieved significant successful outcomes for both large, small tertiary and primary private healthcare businesses.

The knowledge and experience she gained working as an educator with a large, diverse range of healthcare clients led her into the area of strategic business development, coaching and mentoring.
