

COSMETIC PHYSICIANS  
COLLEGE  
OF AUSTRALASIA

Dear Sir/Madam,

**Re: CPCA Corporate Membership**

In November 2014 the Cosmetic Physicians College of Australasia was launched. It is the succession college to the CPSA (Cosmetic Physicians Society of Australasia), the oldest and largest professional representative body for cosmetic doctors in Australia. Initial membership will encompass the Australasian region.

The constitution has been structured to allow corporate membership so that our industry partners may take part in this exciting new college.

There are three levels of corporate membership available, *Platinum, Gold and Silver*. Each level will be indicated on the list of suppliers, for our members to source supplies and equipment.

The list of suppliers will be divided into sections; Platinum members may rotate two different electronic banners on the members' homepage throughout the 12-month term of their corporate membership. All corporate members may use the CPCA logo on their official paperwork, reflecting their level of membership. This logo may also be used on website and electronic communications for the duration of the corporate membership.

An up-to-date prospectus is being put together as we speak. If you would like to receive a copy of this on completion, please drop a line to Julie at [cPCA@cPCA.net.au](mailto:cPCA@cPCA.net.au)

The CPCA would like to invite you to partake in corporate CPCA membership with its associated benefits. Please see attached.

Yours faithfully

**COSMETIC PHYSICIANS COLLEGE  
AUSTRALASIA LTD**
